Meeting-ID: 869 3130 6478 Kenncode: 692168

Organisation:

Prof. Dr. Norina Lauer
(OTH Regensburg)

Prof. Dr. Sabine Corsten
(KH Mainz)

Prof. Dr. Juliane Leinweber
(UMG|HAWK GCG)

Referentin: Dr Lucy Bryant

Dr Lucy Bryant is a certified practising speech pathologist, researcher, and Head of Speech Pathology at the University of Technology Sydney, Australia. Lucy's clinical and research interests relate to the integration of advanced communication technologies in speech pathology practice and rehabilitation. Lucy's presentation will draw from a series of studies to discuss opportunities and challenges for building and using immersive virtual reality to assess and treat speech, language, and voice disorders across the lifespan.
